170 Years of Building Brighter Futures for Children and Families

Imagine a place where children and families are met with compassion, dignity, and opportunity regardless of their circumstances.

That place is MARYVALE!

Founded in 1856 as Los Angeles' first orphanage, Maryvale is the oldest children's service organization in Los Angeles County. For 170 years, we have met the needs of our community while remaining rooted in our mission of care and hope.

Today, Maryvale is proud to be recognized as California Nonprofit of the Year, a reflection of the trust we've earned and the lives changed through trauma-informed, family-centered services across the San Gabriel Valley and greater Los Angeles.

Proceeds from the event will directly support:

Early Childhood Education: Building a strong foundation for infants and young children.

Temporary Housing: Providing safe shelter for unhoused women and children.

Mental Health Services: Offering counseling and resources for families to heal.

Substance Use Treatment: Supportive recovery services for adolescents ages 12-17.
